# 35+ Years
# of surface Excellence

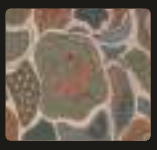

For over 35+ years, Heritage Laminates has been redefining decorative surfaces through innovation, craftsmanship, and design excellence. Our diverse portfolio includes Real Metal Laminates, Pearlescent Laminates, Synchronised Laminates, Repairable Laminates, India's First Handpainted Laminate Collection, Wood Veneers, Stone & Marble Designs, and Premium Solid Colours with Curated Textures. Crafted using premium European papers and advanced manufacturing processes, every collection is designed to deliver authenticity, durability, and timeless appeal. Trusted by architects, designers, dealers, and homeowners across India, Heritage Laminates continues to create surfaces that inspire modern living.

## REAL METAL LAMINATE
Crafted with authentic metal surfaces, bringing depth, character, and a distinctive material presence to contemporary interiors.

## PEARLESCENT LAMINATE
India's only laminate collection with over 50 pearlescent shades. Developed using premium European papers and metalic-ink impresgnation technology to create subtle luminosity and sophisticated visual movement.

## HANDPAINTED DIGITAL LAMINATE
India's first handpainted laminate collection. Conceptualized with real-time artists and introduced internationally in Germany, transforming original artwork into architectural surfaces.

## SYNCHRONISED LAMINATE
Advanced synchronized textures that align perfectly with the design grain, recreating the look and feel of natural veneer with remarkable realism.

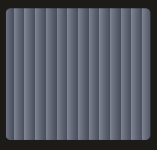

## MARBLE & STONE COLLECTION
Exclusive European-inspired marble and stone designs that capture the richness and authenticity of natural mineral surfaces.

## WOOD VENEER LAMINATE
Over 60 meticulously developed wood shades, inspired by the beauty of natural timber and crafted with precision for contemporary interiors.

## REPAIRABLE LAMINATE
Engineered for everyday luxury. Repairable up to 5 newton impact resistance, featuring anti-fingerprint technology and an exclusive collection of solid, marble, and wood-inspired decors.

## SOLID COLOUR TEXTURES
A thoughtfully curated palette of premium textured solids, designed to bring elegance, depth, and timeless simplicity to modern spaces.

## EUROPEAN DESIGN
Curated by design experts and developed using premium European papers for superior aesthetics and performance.

## TRUSTED QUALITY
Manufactured with precision to ensure strength, consistency and long-lasting surface beauty.

## RELIABLE SERVICE
A dedicated team ensuring seamless support and lasting partnerships.

## 35+ YEARS OF EXPERTISE
A legacy of trust, innovation and customer satisfaction that continues to inspire every surface we create.
