GST EXTRA

The discount available on the Rosette Handle Range may vary from those offered on the other Tunes and Tunes Signature product ranges.

Instructions

Product Care instructions

To prolong the life of this product we recommend cleaning when required using lukewarm water on a damp, well wrung-out lint free cloth. Once clean, ensure to thoroughly dry with a soft cloth, paying particular attention on the base of the stem of the product.

We strongly advise never to use commercial chemical or abrasive cleaning products on any Rosta products including antibacterial cleaners. These will remove the protective coating and the product may become damaged, possibly changing the appearance as a result. Also, little chips or scratches in the lacquer will allow the air to tarnish the metal underneath over time. So particular care is required by following these instructions.

USE COTTON CLOTH

MASKING TAPE

THINNER

DETERGENT POWDER

TOILET CLEANER

ACID

Note: If you do not follow above instructions company will not be responsible for the product damage.
